Hi Margaret,

It looks like I have 20 sub-jobber accounts serviced by your direct accounts. The difference between these and the 66 Vikisha accounts for Klein turns out to be 1 case of each of the 4 Doral styles to be transferred to 1610 (it's a little over 1 case, but I have enough 'slush' to cover it). However, I will need 30 SKUs of sleeves (item #512141) transferred also, as I have no excess quantities on the sleeves.

I'll put the sub-jobber Templates in the mail, so you can include them with the appropriate direct accounts (Coclin / Stan Lou / H. Levinson).

Any questions, let me know.

Judy / 1610

(I have mailed a copy of this letter so you have clear copies of the templates.)
